IN COLLABORATION WITH

VEKASHMI ENTERPRISES

Welcome To Shiv Engineering

M/S SHIV ENGINEERING, is a Pune based company

Our Vision is to be the most valuable supplier of technical knowledge and national building services. Throughout Maharashtra, we design and construct buildings of all shapes and sizes, including offices, hospitals, and commercial and residential

Over the years, we have built a solid reputation for honesty, work safely, completing difficult and demanding projects on fast-track mode, and fostering innovation to advance our whole industry. buildings.

We are committed to deliver quality service at all time and within scheduled period with any magnitude of any type projects. It has now a work force of 78 people, among which 08 are engineers with degree in various areas. Most of our management team is technically qualified, highly experienced, Multi Tasked and multi streamed with exposure and experience in plumbing, Fire Fighting, sanitation installation and integrated MEP projects execution.

Here is a highly professional, refined profile that integrates your extensive background from the document with your leadership role at Shiv Engineering.

A Legacy Built On Trust

Sandeep Sudhakar Gadekar
VP of Engineering | Founder & Director | Zonal Chief Engineer
Email: gsandeep.077@gmail.com | Call+91 9850081548 / 7066361355

Highly qualified civil engineering leader and multi-disciplinary consultant with over 26 years of extensive expertise in the planning, execution, and QA/QC of fast-track construction projects. With over 30 years of overall industry involvement, a proven track record exists in managing large-scale, time-bound EPC projects, institutional buildings, and commercial infrastructure. Known for a deep understanding of structural rate analysis, architectural planning, costing, drawing drafting, and comprehensive MEP consultancy.

Demonstrates exceptional capacity to work independently, mentor cross-functional teams, and foster innovation to advance the construction industry.

Core Competencies

Executive Leadership & Project Management: Steering multi-crore EPC projects, strategic business vision, and fast-track execution.
Engineering Consulting: Civil engineering, MEP consultancy, 2D layout planning, and structural rate analysis.
Technical Operations: Costing and estimation, QA/QC compliance (IS standards), shop drawing evaluation, and material approvals.
Team & Stakeholder Management: Mentoring staff, coordinating with joint venture partners, governing bodies, and external consultants.
Executive Roles & Career Highlights: VP of Engineering & MEP Consultant, Shiv Engineering, Pune, Maharashtra.

- Lead engineering operations, serving as a primary consultant and contractor for complex structural and architectural projects.
- Provide specialized MEP consultancy and comprehensive structural rate analysis for diverse construction requirements.
- Oversee 2D office layout designing, space planning, and technical material estimation to ensure optimal resource utilization.

Vekashmi Enterprises
Founder & Director | 2024 – Present

- Established a multi-disciplinary design and construction firm focused on commitment, integrity, and teamwork.
- Provide comprehensive national building services across Maharashtra, designing and constructing offices, hospitals, and residential spaces.
- Pioneered small housing projects to deliver safer, stronger, and highly efficient homes.

Nyati Group
Zonal Chief Engineer
- Delhi-Mumbai Bharatmala Super Expressway (PKG 10):* Served as Overall In-charge for a 905.32 Cr infrastructure project under the DMIA-NYATI LLP joint venture, managing client (NHAI) and consultant coordination.
- Government Medical College & Hospital, Jalgaon:* Directed a 625 Cr fast-track EPC project for HSCC, encompassing the college, hospital, residential buildings, and ancillary MEP services.
- Krantikari Khajaji Naik Smruti Sanstha, Dharangaon:* Managed a 15 Cr EPC project for PWD Maharashtra with an 18-month duration.
- Symbiosis International University & Hospitals:* Delivered multiple award-winning, fast-track campus projects, including a 450-bed hospital completed in 120 days and campuses in Nagpur and Kiwale.

Previous Remarkable Experience
Project Manager, Achalare Associates (2008)
- Directed "52' GREEN WOODS," an exclusive 100-flat residential project featuring ultra-modern facilities.

Coordination & QA/QC
Shapoorji Pallonji Ltd. (2008 - 2013)
- Inspected works, monitored progress, and certified invoices for India's largest interior mall (Ishanya) in Pune, a 210 Cr project.

Project In-Charge
Giridhar Housing (2005 - 2008)
- Executed commercial and residential projects, including "The Pentagon" and the 300-flat "OASIS" project.

Site Engineer
S.Y. Samal Construction & Lunawat Construction (2000 - 2005)
- Managed institutional and residential builds, including Smt. Kashibai Nawale Dental College and Raj Heera Residency.

Site Engineer
Ashoka Buildcon Pvt. Ltd (1998 - 2000)
- Executed a 80km BOT road project, completing 72 cross-drainage works and toll infrastructure in record time.

Education
Bachelor in Civil Engineering (First Class)
- K. B. P. Polytechnic and Sanjeevani Engineering College | June 1998
- "Construction is the art of making a meaningful whole out of many parts. Buildings are witnesses to the human ability to construct concrete things." — Peter Zumthor
